**Boycott Kellogg's · Stop Monsanto's Genetically Engineered Sugar**

As a consumer I will be boycotting all Kellogg's products, including Kellogg's subsidiary Morningstar Farms, until your company commits to source non-genetically engineered sugar. I urge Kellogg's, and its subsidiaries, to join the growing ranks of ethical and health-focused businesses and traders who are sourcing their products and ingredients from 100% natural, organic, naturally occurring, and fairly-traded plants and minerals.
