ORDER

The Court issues the following Order pursuant to the Court Order of Presiding Judge Gloria C. Reno dated May 6, 2019, concerning pretrial procedures to be used in the Roundup® lawsuits. [Order attached].

Presently before the Court is Plaintiff's Motion for Trial Setting beginning October 15, 2019. Venue was transferred to this Court from the 22nd Judicial Circuit on September 18, 2019. Plaintiff(s) filed their trial setting motion six (6) days after this circuit received the change of venue. Defendant filed their opposition to Plaintiff's motion for trial setting on September 26, 2019. Neither party has filed a notice of hearing for the pending motion.

The Court, having reviewed the Division 8 trial schedule finds that it is unable to comply with Plaintiff's request to set a multiple plaintiff, multiple week trial as soon as October 15, 2019, and therefore denies Plaintiff's request for trial setting of October 15, 2019.

The parties are directed to comply with Administrative Rule 13 by contacting the clerk of Division 1, the Honorable Brian May to schedule a hearing on an appropriate Motion for Multiple Plaintiff Trial Settings.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that Plaintiff's Motion for Trial Setting beginning October 15, 2019 is **DENIED**.
