Independent Auditor's Report

Board of Directors Organic Consumers Association and Combined Affiliates

Report on the Audit of the Financial Statements

Opinion

We have audited the combined financial statements of Organic Consumers Association and Combined Affiliates (the Association), which comprise the combined statements of financial position as of December 31, 2021 and 2020, and the related combined statements of activities and cash flows for the years then ended, and the related notes to the combined financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Organic Consumers Association and Combined Affiliates as of December 31, 2021 and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Organization's ability to continue as a going concern for a
 reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control–related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Combined Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies

Nature of activities: Organic Consumers Association (the Association), a nonprofit corporation, focuses on representing the views and interests of organic consumers by educating consumers on food safety, industrial agriculture, genetic engineering, corporate accountability and environmental sustainability issues. The Association uses funds raised to perpetuate consumer education in an effort to increase consumer awareness and knowledge of the agricultural production of organic foods and to protect and preserve the environment to ensure the development and expansion of the organic and sustainable agricultural model. The mission of the Association is to promote the development of a safe and sustainable system of food and agricultural production and the development and integration of societal goals and consensus building. The Association is working to create an interactive network of consumers concerned about food safety and is supportive of sustainable, organic agriculture.

The activity of the Association included the Fair World Project, a project of the Association that promotes fair trade, insists on integrity in fair trade, and cultivates a holistic approach to global economics. The Fair World Project became a separate legal entity and the Association transferred the net assets of the project which totaled \$324,914 as of January 1, 2021 which is reported as "contribution of net assets to Fair World Project" in the combined statements of activities.

Citizen Regeneration Lobby (the Fund), formerly Organic Consumers Fund, a nonprofit corporation, was established to lobby for legislation, regulation and programs to improve public health, the environment and the economy.

Regeneration International (Regeneration), a nonprofit corporation, is dedicated to building a global network of farmers, scientists, businesses, activists, educators, journalists, governments and consumers who will promote and put into practice regenerative agriculture and land-use practices that: provide abundant, nutritious food; revive local economies; rebuild soil fertility and biodiversity; and restore climate stability by returning carbon to the soil, through the natural process of photosynthesis.

A summary of the significant accounting policies of the Association, the Fund, and Regeneration (collectively, the Organizations) follows:

Accounting estimates: The preparation of combined financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Principles of combination: The combined financial statements include the accounts of the Association, the Fund, and Regeneration. All material intercompany balances and transactions have been eliminated in combination.

Basis of presentation: The combined financial statements of the Organizations have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), which require the Organizations to report information regarding their financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organizations. These net assets may be used at the discretion of the Organizations' management and the Board of Directors.

Net assets with donor restrictions: Net assets are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organizations or by the passage of time.

Notes to Combined Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the combined statements of activities.

Cash: The Organizations maintain their cash in bank accounts that, at times, may exceed federally insured limits. The Organizations have not experienced any losses in such accounts.

Other contributions receivable: Other contributions receivable include e-commerce transactions that are in the process of settlement.

Property and equipment: Property and equipment is stated at cost at date of acquisition or fair value at date of donation in the case of gifts. Depreciation is calculated using the straight-line method over the following estimated useful lives:

	Years
Building	20-40
Furniture, fixtures and equipment	3-10
Vehicle	5

Support and expenses: Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organizations report gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the combined statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets with donor restrictions with a corresponding amount reported as released from restrictions. All contributions receivable at December 31, 2021, are due within one year.

The Organizations report gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organizations report expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The Organizations charge bad debts to expense in the year they are deemed uncollectible.

Advertising costs: The Organizations expense advertising costs as incurred.

Functional expenses: The combined financial statements report certain categories of expenses that are attributable to more than one function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Accordingly, costs are allocated to the benefited programs and supporting services based on direct costs incurred for advertising, contributions and projects and conferences and time and effort for all other expense classifications.

Notes to Combined Financial Statements

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Income taxes: The Association and Regeneration are exempt from income tax under section 501(c)(3) of the Internal Revenue Code (IRC) and similar laws of the State of Minnesota. The Fund is exempt from income tax under section 501(c)(4) of the IRC and similar laws of the State of Minnesota.

Under guidance on accounting for uncertainty in income taxes, the Organizations may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Management evaluates the Organizations' tax positions and has concluded that the Organizations have taken no uncertain tax positions that require adjustment to the combined financial statements to comply with the provisions of this guidance.

Subsequent events: Management has evaluated subsequent events through September 22, 2022, the date of issuance of the combined financial statements. During this period, there were no additional subsequent events requiring recognition or disclosure in the financial statements.

Note 2. Availability and Liquidity

The following reflects the Organizations' financial assets as of December 31, 2021, available to meet cash needs for general expenditures within one year of December 31, 2021:

	Amount
Cash	\$ 797,592
Contributions receivable:	
Phone bank, net	108,357
Other	32,829
Less assets with donor-imposed purpose restrictions to be used for	
regenerative agriculture	(2,000)
Financial assets available to meet cash needs for general expenditures	
within one year	\$ 936,778

The Organizations' goal is generally to maintain a cash balance of \$300,000 to \$500,000. As part of the Organizations' liquidity management, they have a policy to structure their financial assets to be available as their general expenditures, liabilities and other obligations come due.

Note 3. Contributions Receivable, Phone Bank

The Association and the Fund have each entered into an agreement with a third-party provider of phone bank services for fundraising, education and network development purposes. Under terms of the agreements, the Organizations pay the company a fee for expenditures incurred on the Organizations' behalf, limited to a set percentage of net collections. The phone bank collects the pledges on behalf of the Organizations. The agreements expired in December 2021. These receivables are recorded net of allowance and fees payable to the phone bank. The allowance is derived from historical collection rates that have typically been near 82%.

The entire principal and interest amounts were formally forgiven during 2021 and 2020 based on actual payroll costs incurred plus certain eligible expenses, as defined in the agreement. The forgiveness is reported in the statement of activities as "gain on extinguishment of debt".

Notes to Combined Financial Statements

Note 8. Related-Party Transactions

Via Regenerativa Y Organica was established in 2017 with operations beginning in 2020 to promote the development of ecological systems and sustainable agriculture, as well as to educate the Mexican public how to support such systems to maintain the health of individuals and of the environment. Two of the four members of the Board of Directors of Via Regenerativa Y Organica are the Chief Executive Officer and Treasurer of the Association. All other officers and board members of Via Regenerativa Y Organica are neither officers nor board members of the Association, the Fund, or Regeneration. The Association and Regeneration contributed \$950,325 and \$114,150, respectively, during 2021 and \$497,911 and \$189,000, respectively, during 2020 to Via Regenerativa Y Organica for the funding and support of Via Regenerativa Y Organica programs. The Association and Regeneration amounts are included as "projects and conferences" and "contributions" program services expenses as presented in Note 6, respectively.

All related-party transactions and balances associated with the Association, the Fund, and Regeneration have been eliminated in combination.

Note 9. Recent Accounting Pronouncements

The Financial Accounting Standards Board has issued Accounting Standards Updates (ASU) not yet implemented by the Association. Listed below are the ASU's, which may impact future financial statements of the Association.

ASU No. 2016-02, *Leases (Topic 842)*: This ASU, issued February 2016, will be effective for the Association beginning with its year ending December 31, 2022. This standard requires lessees (for capital and operating leases) and lessors (for sales-type, direct financing, and operating leases) apply a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The modified retrospective approach would not require any transition accounting for leases that expired before the earliest comparative period presented. Lessees and lessors may not apply a full retrospective transition approach. The standard requires all lessees to recognize the following for all leases (with the exception of short-term leases):

- A lease liability, which is a lessee's obligation to make lease payments arising from a lease, measured on a discounted basis; and
- A right-of-use asset, which is an asset that represents the lessee's right to use, or control the use of, a specified asset for the lease term.

Under the new guidance, lessor accounting is largely unchanged. Certain targeted improvements were made to align, where necessary, lessor accounting with the lessee accounting model and ASC Topic 606, Revenue from Contracts with Customers.

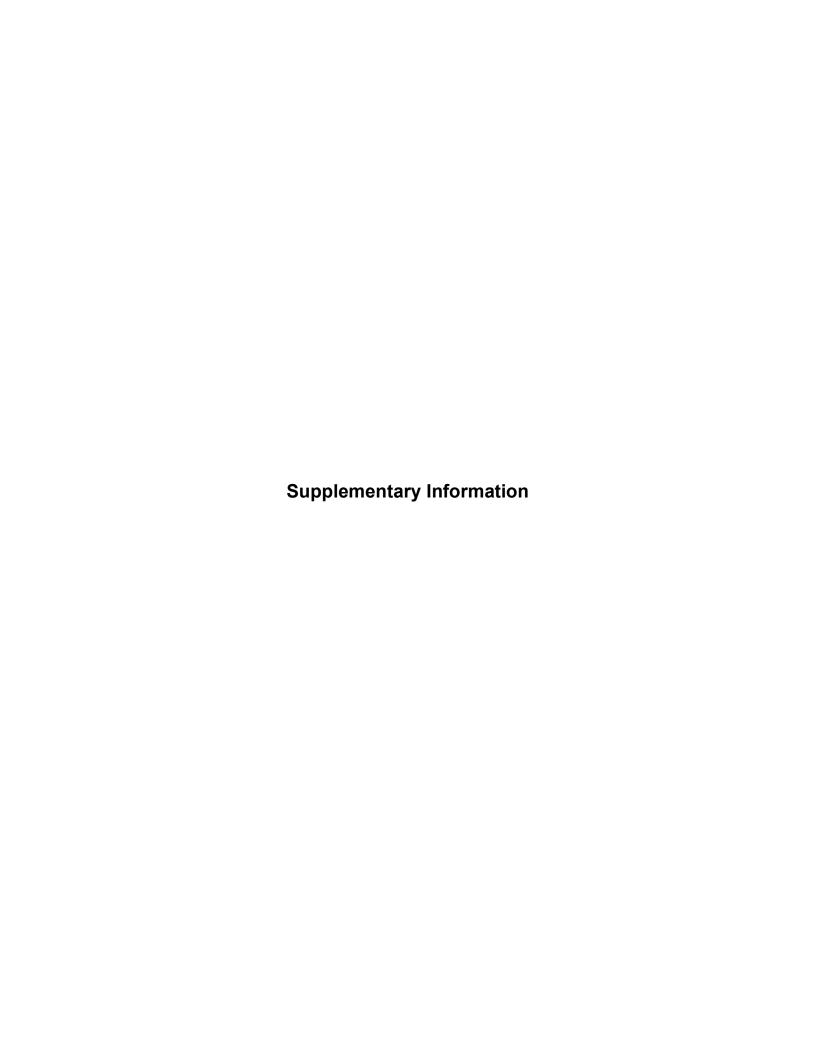

ASU No. 2020-07, Not-for-Profit Entities (Topic 958) Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets: This ASU, issued September 2020, will be effective for the Association beginning with its year ending December 31, 2022. The purpose of this ASU is to clarify the presentation and disclosure of contributed nonfinancial assets with an intention to provide the reader of the financial statements a clearer understanding of what type of nonfinancial assets were received and how they are used and recognized by the not-for-profit. It is important to note that the ASU 2020-07 will not change the accounting and recognition of nonfinancial assets but rather the presentation and disclosure requirements in the financial statements.

Notes to Combined Financial Statements

Note 9. Recent Accounting Pronouncements (Continued)

ASU No. 2021-09, Leases (Topic 842) Discount Rate for Lessees That are not Public Business Entities: This ASU, issued November 2021, will be effective for the Association beginning with its year ending December 31, 2022. The guidance allows lessees that elect a risk-free rate as the discount rate for all leases as practical expedient to make the risk-free rate election by class of underlying asset rather than at the entity-wide level.

Management is currently evaluating the effect that adopting these new accounting pronouncements will have on the combined financial statements.
